Below are ten rows with four words on each row. One word in each of the columns **L O G B**.

In each line, put the number "4" next to the word that best describes you in that line; a "3" next to the word that describes you next best; a "2" to the next best word, and a "1" by the word that least describes you. On each horizontal line of words, you will then have one "4", one "3", one "2", and one "1".

For example: One choice for the first line of words would be as follows:

3 Likes Authority **4** Enthusiastic **2** Sensitive Feelings **1** Likes Instructions

| L | O | G | B |
|------------------------|-----------------------|---------------------------|------------------------|
| 1. ___ Likes Authority | ___ Enthusiastic | ___ Sensitive Feelings | ___ Likes Instructions |

A time capsule is a container that is filled with present day things, such as newspapers, photos, toys and other memorabilia.

PERSONAL TIME CAPSULE

WHAT IS A TIME CAPSULE?

A time Capsule is a container that includes information about your life right now. You take a shoe box and fill it with information about your life. It is then hidden away for a prolonged period of time.

In the future you can open it. It is kind of like a present for the future.

To make your time capsule follow the tasks below;

Select a container

1. Find an old shoe box or similar sized cardboard box.
2. Decorate the outside with pictures or images related to you.

Making Your Time Capsule

1. Each of the weekly tasks from your homework book have been designed to go into your time capsule. Either place your entire homework book inside or cut out the selected pages.
2. Add other items into your time capsule. These could be photos, small toys, pieces of technology, newspapers, magazines. Anything that you think that would be great to look back on in the future.
3. Add a label to the front of your time capsule with your name and the date when the box can be opened.
4. Now hide it away, and try not peek in it until the chosen date!
