KWL WORKSHEET

INSTRUCTIONS

1. K – What I already KNOW about this topic:

Before reading the article, write down anything you already know about the topic. This could be facts, ideas, or personal experiences.

2. W – What I WANT to find out about this topic:

List any questions you have or things you are curious about. What do you hope to learn from reading the article?

3. L – What I would LIKE to learn more about:

After reading the article, write down anything you found interesting that you want to explore further or learn more about in the future.

What do I already KNOW about this topic?	What do I WANT to find out about this topic?	What would I LIKE to learn more about?
